3. License

a. NewsBank grants to Customer and to Customer's Authorized Users (defined below) on the terms set forth in this Agreement and any Order Form(s), a non-exclusive, non-assignable, concurrent-use license to use each Product at the licensed site(s) identified in the Order Form applicable to such Product (the "Licensed Site") solely for non-commercial academic, educational and research purposes. "Authorized User" means only: (a) For public libraries: library staff, individual residents of Customer's reasonably defined geographic area served, and walk-in patrons while they are on-site; (b) For schools and other academic institutions: currently enrolled students, faculty, library staff, and visiting scholars, as well as walk-in patrons while they are on-site; and (c) For other types of organizations: employees and independent contractors, while performing their work for such organization. Customer understands and acknowledges that all use is subject, after reasonable notice, to restrictions and disclaimers that NewsBank or its suppliers publish from time to time.

b. Customer and Customer’s Authorized Users are licensed to use the Products solely for access, search, retrieval, viewing, printing, and downloading for non-commercial academic, educational and research purposes. Printing and downloading are limited to insubstantial portions of the data, for temporary storage. All other use is prohibited. The removal or altering of any copyright or other notices within the Product or using any portion of Product for purposes of manual, automated or other machine-assisted indexing or classification of other publications is prohibited. The transmission of Content, as defined under Section 5a, (including, but not limited to, by way of e-mail, facsimile or other electronic means) is prohibited unless such transmission is between Authorized Users. Except as expressly provided for in this Agreement, Customer and Customers’ Authorized Users may not modify, publish, transmit (including, but not limited to, by way of e-mail, facsimile or other electronic means), display, participate in the transfer or sale of, create derivative works based on, or in any other way exploit any of the Content, in whole or in part without the prior written consent of NewsBank and (if applicable) its respective content providers.

e. Interlibrary Loans (ILL): Customer may use the Product to create hardcopy or electronic copies of articles (via Ariel® Document Transmission System or other means) for the purpose of supplying interlibrary loan requests in accordance with the Interlibrary Loan Provision of Section 108 of the U.S. Copyright Law and the CONTU Guidelines, provided that such interlibrary loan requests do not hinder NewsBank's ability to sell the Product to other customers. Customer warrants that the number of articles (whether copies of the same article or of different articles) supplied to any library pursuant to the foregoing provision will not exceed 5 in any calendar year. Any breach under this paragraph shall be deemed a material breach. In no event may the Customer's Interlibrary Loan program be used to avoid the need for another school, library, or other potential similar customer or prospective customer from ordering to a Product. If NewsBank reasonably determines that Interlibrary Loan activities hereunder may be impairing NewsBank's ability to make sales of the Product or other NewsBank products to other customers, NewsBank may require such Interlibrary Loan activity to be modified or terminated, either entirely or with respect to the library whose activity is impairing NewsBank's business.

5. Intellectual Property

a. Customer acknowledges that the Products consist of materials copyrighted by third parties and containing trademarks owned by third parties, and that NewsBank owns the copyright of the compilations of these materials. The Product contains copyrighted material, trademarks and other proprietary information owned by NewsBank and its content providers, including without limitation,
compilations, text, software, photographs, video, graphics, trademarks, service marks, logos, designs, and music and sound (the "Content"), and such Content is protected under U.S. copyright laws, U.S. trademark laws, and other intellectual property laws as well as international copyright and trademark laws and treaties. Customer acknowledges that its use of the Products, including use by Customer's Authorized Users, must not infringe the rights of NewsBank or of any third parties.

b. Consistent with the fair-use provisions of the Copyright Act of the United States, Customer and Customer's Authorized Users are licensed to reproduce or store only insubstantial portions of the Products, resulting from specific searches for Customer's and/or Authorized Users' own non-commercial academic, educational and research purposes. Customer and Customer's Authorized Users will not store or use, or allow to be stored or used, any portion of the Products in a searchable database without written permission of NewsBank and (if applicable) its respective content providers or data/text mine or permit data/text mining of the Product. Nothing contained herein shall be construed as granting the Customer and its Authorized Users or any third party any interest in or to the Product or Content. All rights in and to the Product and Content are expressly reserved by NewsBank and/or NewsBank's respective content providers.
