MAX PLANCK DIGITAL LIBRARY

First Max Planck
"AI Tools in Science" Meet-Up
June 17 - 18, 2024, MPDL, Munich

A forum for researchers and support staff of the Max Planck Society working with Artificial Intelligence tools to enhance research

This two-day meet-up is an opportunity for exchanging knowledge of AI-related topics, initiatives and current trends within the scientific landscape. Open and free to all researchers and staff of all Max Planck Institutes.

The meet-up will allow researchers and staff to:
- Share use cases of AI-tools in research
- Inform about AI resources within the MPG
- Help the MPDL prioritize AI-related services
- Shape the future of the AI landscape in research

Registration: conferences@mpdl.mpg.de

Please note that participants must arrange their own travel and accommodation.

Further programme information will be provided at https://www.mpdl.mpg.de/

Start: June 17, 2024, 14:00
End: June 18, 2024, 13:00

📍 Location:
Max Planck Digital Library
Landsberger Straße 346
80687 Munich
