## I. LICENSE

**A.** EBSCO hereby grants to the Licensee a nontransferable and non-exclusive right to use the Databases and Services made available by EBSCO according to the terms and conditions of this Agreement. The Databases and Services made available to Authorized User are the subject of copyright protection, and the original copyright owner (EBSCO or its licensors) retains the ownership of the Databases and Services and all portions thereof. EBSCO does not transfer any ownership, and the Licensee and Sites may not reproduce, distribute, display, modify, transfer or transmit, in any form, or by any means, any Database or Service or any portion thereof without the prior written consent of EBSCO, except as specifically authorized in this Agreement.

**B.** The Licensee is authorized to provide on-site access through the Sites to the Databases and Services to any Authorized User. The Licensee may not post passwords to the Databases or Services on any publicly indexed websites. The Licensee and Sites are authorized to provide remote access to the Databases and Services only to their patrons as long as security procedures are undertaken that will prevent remote access by institutions, employees at non-subscribing institutions or individuals, that are not parties to this Agreement who are not expressly and specifically granted access by EBSCO. For the avoidance of doubt, if Licensee provides remote access to individuals on a broader scale than was contemplated at the inception of this Agreement then EBSCO may hold the Licensee in breach and suspend access to the Database(s) and Services.

Remote access to the Databases or Services is permitted to patrons of subscribing institutions accessing from remote locations for personal, non-commercial use. However, remote access to the Databases or Services from non-subscribing institutions is not allowed if the purpose of the use is for commercial gain through cost reduction or avoidance for a non-subscribing institution.

**C.** Licensee and Authorized Users agree to abide by Copyright Act of 1976 as well as any contractual restrictions, copyright restrictions, or other restrictions provided by publishers and specified in the Databases or Services. Pursuant to these terms and conditions, the Licensee and Authorized Users may download or print limited copies of citations, abstracts, full text or portions thereof, provided the information is used solely in accordance with copyright law. Licensee and Authorized Users may not publish the information. Licensee and Authorized Users shall not use the Database or Services as a component of or the basis of any other publication prepared for sale and will neither duplicate nor alter the Databases or Services or any of the content therein in any manner, nor use same for sale or distribution. Licensee and Authorized Users may create printouts of materials

retrieved through the Databases or Services via online printing, offline printing, facsimile or electronic mail. All reproduction and distribution of such printouts, and all downloading and electronic storage of materials retrieved through the Databases or Services shall be for internal or personal use. Downloading all or parts of the Databases or Services in a systematic or regular manner so as to create a collection of materials comprising all or part of the Databases or Services is strictly prohibited whether or not such collection is in electronic or print form. Notwithstanding the above restrictions, this paragraph shall not restrict the use of the materials under the doctrine of "fair use" as defined under the laws of the United States. Publishers may impose their own conditions of use applicable only to their content. Such conditions of use shall be displayed on the computer screen displays associated with such content. The Licensee shall take all reasonable precautions to limit the usage of the Databases or Services to those specifically authorized by this Agreement.
