3.1.a. Authorized Users may download, search, retrieve, display and view, copy and save to a Secure Network or other electronic storage media and store or print out single copies of individual articles, chapters or entries in the Licensed Electronic Products for the Authorized User's own personal use, namely scholarly, educational or scientific research or internal business use. Authorized Users may also transmit such material to a third-party colleague in hard copy or electronically, for personal use, namely scholarly, educational, or scientific research or professional use but in no case for re-sale, systematic distribution, e.g. posting on a listserv, network (including distribution through social networking websites and scholarly collaboration networks, except for those that have agreed to Wiley's Article Sharing Policy found here: <https://onlinelibrary.wiley.com/researchers/tools-resources/article-sharing> and solely in accordance therewith) or automated delivery, or for any other use. In addition, Authorized Users have the right to use, with appropriate credit, figures, tables and brief excerpts from individual articles, chapters or other entries from the Licensed Electronic Products in the Authorized User's own scientific, scholarly and educational works such as books and articles. This right does not extend to use of material, including images or figures that are separately listed as the copyright of a third party.

3.1.b. All Authorized Users have the option to create a My Profile Page, which will allow them to create data files and links to articles, chapters and entries of interest in the Licensed Electronic Products, and search criteria, which may be reused by them. In order to do so, the Authorized User will have to select and register a username and password which the Authorized User must keep confidential and not disclose to or share with anyone else.

The Customer and its Authorized Users may create links to Wiley Online Library from their Online Public Access Catalog (OPAC) records, library catalogs, link resolvers, locally hosted databases or library web pages, provided those links are operated by the Customer on a Secure Network, do not result in access to licensed content by anyone other than Authorized Users, and are not used in connection with any paid or commercial service or for any other commercial use whatsoever. Authorized Users may search, view, and browse Licensed Electronic Products using the interface provided by Wiley. Automated searching, robotic searching and decompilation are strictly prohibited

3.1.d. Authorized Users who are members of the Customer's faculty or staff may download and print out multiple copies of material from Licensed Electronic Products for the purpose of making a multi-source collection of information for classroom use (course-pack) or a virtual learning environment, to be distributed to students at the Customer's institution free of charge or at a cost-based fee. Material from Licensed Electronic Products may also be stored in electronic format in secure electronic data files for access by Authorized Users who are students at the Customer's institution, as part of their course work, so long as reasonable access control

methods are employed such as username and password.

3.1.e. The Customer's library staff may supply to another library, upon request by that library, either a single paper copy or an electronic copy of an individual document from the Licensed Electronic Products, for the purpose of research or private study. 3.1.f. The Customer and its subsidiaries and affiliates worldwide may include copies (hardcopy or electronic) of individual items from the Licensed Electronic Products in internal technical reports and in reports or applications made to appropriate regulatory or judicial bodies worldwide in the course of the Customer's or its Affiliates' business (e.g. "New Drug Application" submissions for regulatory bodies such as the Food and Drug Administration in the United States).

3.1.g. Authorized Users may make unlimited, internal use of the Licensed Electronic Products, including electronic storage thereof for later retrieval and submission, for regulatory or judicial submissions only, as provided in subparagraph 3.1.d. above, provided that such use does not amount, in whole or in part, to commercial redistribution for direct profit or any other reason.
