

## Great Project – No Funding?

### Find information on current funding programs and grants

Look for up-to-date research funding information in comprehensive and professional databases. They focus especially on information about funding opportunities worldwide and many related news. You can also set up your individual search profile to receive automatic updates.

Access is available for all Max Planck Institutes through the MPG Resource Navigator MPG.ReNa or follow the link below.

Find your next funding on [www.mpdl.mpg.de/go114](http://www.mpdl.mpg.de/go114)
